Dear Mr. Shah,

Tens of thousands of Albertans have been forced to flee their homes because of terribly damaging wildfires. Faced with the destruction of their homes and their community, they were left with only one option – to leave their home behind.

But, thankfully, you were there to bridge the gap between uncertainty and security.

Through your generous support of the Red Cross efforts in Alberta, you have shown an incredible commitment to easing the suffering of others. You have helped to reach people we might not have been able to reach. Canadians have responded generously, we have seen an unprecedented show of solidarity from individuals and organizations across the country. We are so grateful that you stood up for Alberta and helped to raise much-needed funds for their recovery.

Many thanks for your leadership during this unprecedented Canadian disaster; your support is truly appreciated. Should you have any questions please contact me at 905-890-4302.

Regards,
